Core Competencies

City Machine Technologies, Inc. has been in operation for more than 30 years providing a variety of services to heavy industries throughout the United States and abroad. The electrical, mechanical, machining and lifting magnet capabilities of our four highly specialized divisions make us your single source for industrial repairs. Services include industrial apparatus rebuilding/testing, industrial motor and generator rewinding, industrial machining and fabrication, lifting magnet manufacturing and rebuilding, industrial brake and cable reel remanufacturing, industrial field services, gear box rebuilding, and centrifugally cast Babbitt bearings.

Differentiators

- ISO 9001:2015 Quality System Certified
- Member of Electrical Apparatus Service Association
- Registered Firm and Electric Shop Certified by Underwriters Laboratories (UL)
- Available 24/7/365

Past Performance

- Blanket Service/Repair Contracts with Public Utility Companies, Regional Steel Producers and Global Scrap Reclamation Companies, 1985-Present.

Company Data

CMT facilities include: Three divisions (Electric Machinery & Field Services, Industrial Machine & Lifting Magnet) for a total of 95,000 square feet with cranes through 35 tons

- Manufacturing & repair of industrial parts and assemblies
- Industrial motor rewinding through 10,000 horsepower, 7,000 volts
- Dynamometer load testing through 1,000 horsepower
- CNC coil making equipment – field, brake and random
- Computerized electrical diagnostics and surge testing through 70KV
- Complete AC and DC electric capabilities including traction motors
- Dynamic balancing through 20 tons in shop or in place
- Crane brake and take up reel remanufacturing and services
- Lifting magnet repair and manufacturing facilities
- Field service capabilities including in-place machining
- Complete CNC and Conventional Machining capabilities
- Metrology using FARO arms and lasers to 500 feet
- Centrifugal Castings/Babbitt Bearings
- In-place laser alignment
- PdMA electrical diagnostics

List Pertinent Codes

- Cage Code: 7Z9Y6
- DUNS: 004168811
- NAICS: 811310
- UL File Number: 10005472 QM15
- Certified small business
- Enterprise Zone Designated
